SUMMER FIELD TRIPS

15 to 150+ People - We can accommodate large or small groups.

Cave Tour

1 hour guided tour, tailored to the group's age and interest level

Covers history, geology, and biology of Wisconsin's longest cave

Gem Panning

All summer programs include hands-on gem panning activity!

Hands-on guided activity! Students will be amazed with the gems and minerals they find, which are theirs to keep

Each child also receives an identification card to use at school or home to continue the learning experience

Educational Gift Shop

Lunch on Site

Enjoy your packed lunches in our shaded picnic grounds or covered shelter.

Self-Guided Nature Trail

Enjoy a self-guided 20-minute long hike through our Sinkhole Nature Trail after your cave tour.

The educational gift shop is the perfect opportunity for your students to:

- Start their own rock collection
- Increase their love for science
- Bring home a souvenir to remind them of the great field trip

Affordable prices starting at under \$1
